

[Acronis True Image 2018 Build 10640 Bootable ISO Utorrent](#)

The screenshot shows the Acronis True Image software interface. On the left is a dark blue sidebar with icons for home, folders, refresh, view, protection, user, and settings. The main area has tabs for "Backup", "Activity", and "Recovery". Under "This computer", "Entire PC" and "Documents" are listed. The backup configuration shows "Entire PC" (with exclusions for Dropbox, Google drive, iCloud drive, and Yandex disk) being backed up to "Acronis Cloud" (465.6 GB backup size, 1.2 TB of 5 TB free). A progress bar indicates the last backup was today at 16:50 with a data size of 18.7 GB. A legend below the bar shows: Pictures (98.0 GB), Videos (81.8 GB), Audio (38.2 GB), Documents (9.2 GB), System (78.4 GB), and Others (160.0 GB). At the bottom, there is a "Next backup: 8/14/17 at 16:47" notification, an "Options" button, and a green "Back up now" button.
